

HSE PUBLICATIONS

HSE priced and free publications are available from HSE Books, PO Box 1999, Sudbury, Suffolk CO10 2WA by mail order or through their website (www.hsebooks.co.uk). (Tel: 01787 881165 Fax: 01787 313995 E-mail hsebooks@prolog.uk.com).

Many HSE free leaflets are available and free to download from HSE's website (www.hse.gov.uk). Priced publications are also available from bookshops.

INDG331 'Safe use of petrol in garages' (free publication)

This leaflet doubles as a poster. It contains information on the main causes of petrol fires in MVR garages and how to avoid them.

INDG349 'Safe working with vehicle air-conditioning systems' (free publication)

This leaflet doubles as a poster. It contains advice about the health and safety risks associated with work on air-conditioning systems in motor vehicles containing refrigerant chemicals R12 and R134a, and the precautions which should be taken.

INDG356 'Reducing ill health and accidents in motor vehicle repair' (free publication)

This leaflet doubles as a poster. It outlines the main causes of accidents (manual handling; slips and trips; falls; transport; fire and explosion; plant and equipment; electricity) and ill health (isocyanates) in motor vehicle repair and includes a checklist of measures to reduce them. References to relevant publications are given.

INDG68 'Do you use a steam/water pressure cleaner' (free publication)

INDG280 'A guide to handling and storage of airbags and seatbelt pretensioners at garages and motor vehicle repair shops' (free publication)

INDG286 'Diesel engine exhaust emissions' (free publication)

INDG297 'Safety in gas welding, cutting and similar processes' (free publication)

INDG308 'Safe use of gas cylinders' (free publication)

INDG314 'Hot work on small tanks and drums' (free publication)

HSG 62 'Health and safety in tyre and exhaust filling premises' (priced publication)

HSG67 'Health and safety in motor vehicle repair' (priced publication)

HSG178 'The spraying of flammable liquids' (priced publication)

'Electric shock: first aid procedures' (Rigid PVC or encapsulated posters – both priced publications)

'Basic advice on first aid at work' (Rigid PVC or encapsulated posters – both priced publications)
