

## WHEEL PLAY DETECTORS (WPD) – ACCEPTED UNITS FOR AUTHORISED TESTING FACILITIES (ATFs)

With each set of Wheel Play Detectors there must be a copy of the GEA “Certificate of Acceptance” (provided by the equipment manufacturer/supplier) detailing make/model, serial number and the ATF details. Please note that the GEA has provided this information as a guide only, so always check with your supplier before purchasing equipment. For details of suppliers of WPDs please return to our Home Page, select “Members Directory” and click on “Authorised Testing Facilities”.

The following WPD’s are acceptable for use in HGV/PSV Authorised Testing Facilities.

The equipment listed in this table is <b>CURRENT</b> which means that it meets DVSA specification and is supported by the equipment manufacturer; therefore, replacement equipment or equipment purchased for new ATF applications should be selected from this list.
