The equipment listed in this section **'CURRENT'** means that it meets DVSA specification and is supported by the equipment manufacturer.
New site applications and replacing existing equipment can be selected from this list **ONLY**.

The equipment listed in this section **'RESTRICTED'** means that it may no longer meet the DVSA specification and / or may no longer be supported by the equipment manufacturer.
Note: Providing that this equipment is in good working order, is calibrated and meets the latest software requirements, it can continue to be used in existing MOT stations.

Equipment Type	HBT															
Status	**Connects to MTS**	**Make / Brand**	**EIN**	**Model**	**Classes approved (5Light included in Class 7)**	**Additional Description**	**Software version**	**3rd party Calibration allowed**	**Calibration period (Months)**
