The equipment listed in this section **'CURRENT'** means that it meets DVSA specification and is supported by the equipment manufacturer.
New site applications and replacing existing equipment can be selected from this list **ONLY**.

The equipment listed in this section **'RESTRICTED'** means that it may no longer meet the DVSA specification and / or may no longer be supported by the equipment manufacturer.
Note: Providing that this equipment is in good working order, is calibrated and meets the latest software requirements, it can continue to be used in existing MOT stations.
