

The equipment listed in this section '**CURRENT**' means that it meets DVSA specification and is supported by the equipment manufacturer. New site applications and replacing existing equipment can be selected from this list **ONLY**.

The equipment listed in this section '**RESTRICTED**' means that it may no longer meet the DVSA specification and / or may no longer be supported by the equipment manufacturer.

**Note:** Providing that this equipment is in good working order, is calibrated and meets the latest software requirements, it can continue to be used in existing MOT stations.
